FATHER GOD, FULL OF MERCY

Christ For The Nations Worship
Lyrics & Music by Key: D

VERSE 1

```
          G          A/C#
Father God, full of mercy
           F#m                Bm
Precious Lord, clothed with grace
          Em          A
Dearest Friend, ever faithful
          G                D
Bringing joy with Your embrace
          G                A/C#
Always righteous in Your wisdom
         F#m              Bm
And by love each fear erased

So we're changed each time we look into Your face
```
