## VERSE 1

**C/E** **F** **G** **Am**  
A love like this - I've never known before  
**C/E** **F** **G** **Am**  
It seeks me out - overwhelms my soul  
**C/E** **F** **G** **Am**  
And I'm undone - when I remember You've come  
**F** **G**  
To ransom me - You set me free

## VERSE 2

**C/E** **F** **G** **Am**  
Your love poured out - from Your hands and feet  
**C/E** **F** **G** **Am**  
It called my name - and it gave me peace  
**C/E** **F** **G** **Am**  
And I'm made new - when I remember Your blood  
**F** **G**  
Was shed for me - You set me free

## CHORUS 1

**C** **Am** **F** **G**  
Your love is amazing - it surrounds me (x2)

## CHORUS 2

**C** **Am** **F** **G**  
So I give myself away - So I give myself away (x2)

## BRIDGE

**C/E** **F** **G** **Am**  
I know a place - when the river runs dry  
**C/E** **F** **G** **Am**  
A place I can go - a place I can hide  
**C/E** **F** **G** **Am**  
For the song You sing - over me brings life  
**F** **G**  
So I will sing it back to You  
**F** **G**  
So I will sing it back to You
