## VERSE

**G**  
You are so good to me  
**Bm**  
You are all I could ever need  
**Em** **C**  
You make me wanna sing a love song  
**G**  
When everything all around me  
**Bm**  
Tries to steal away my melody  
**Em** **C**  
I'm captured by Your love all over again

## PRE-CHORUS

**D** **Em** **C**  
I just can't get enough of Your love (x2)

## CHORUS

**G**  
Good to me  
**D/F#**  
in every season Lord, You're good to me  
**Em**  
that will never change You're good to me  
**C**  
and so I say that you're good  
**G**  
Your glory  
**D/F#**  
I want to understand Your mystery  
**Em**  
And all the ways that You reveal to me  
**C**  
because I know that You're good

## BRIDGE

**G**  
I'll sing, I'll shout  
**Bm** **Am**  
I'll celebrate Your goodness  
**C**  
Your goodness
